Summary

Enthusiastic BE student in Artificial Intelligence and Data Science with strong skills in frontend development and Java programming. Experienced in building projects such as Spotify Clone, E-Commerce Website, and Simple Banking System. Consistently ranked first in academics and eager to contribute and grow in a tech-driven environment.

Work Experience

Web Developer Intern — TechOctanet Services Pvt. Ltd jan 2025 – feb 2025

– Completed a 1-month internship focused on front-end web development.
– Built a responsive e-commerce website using HTML, CSS, Bootstrap, and JavaScript.
– Created Homepage, Category Pages, Product Detail Page, and Contact Page.
– Ensured performance across desktop, tablet, and mobile devices.
– Applied modern UI/UX principles throughout the project.

Projects

Simple Banking System — Java *GitHub Repository*

- Developed a modular console-based banking system in Java with scalable architecture.
- Implemented account operations: creation, deposit, withdrawal, transfer, and balance inquiry.
- Applied OOP principles such as encapsulation and inheritance for clean code structure.
- Added secure password-based authentication with strong input validation and error handling.
- Designed for future enhancements including database integration and GUI expansion.

Spotify Clone — HTML, CSS, JavaScript

- Built a responsive music player interface with play, pause, next, and previous controls.
- Used DOM manipulation for playlist switching and dynamic song rendering.
- Implemented progress bar, time tracking, volume adjustment, and seek functionality.
- Styled using modern CSS for a clean and visually consistent UI.
- Structured the project to easily scale with more songs and UI features.

Skills

Programming Languages	Java, C++, SQL, HTML, CSS, JavaScript,React.js
Computer Science Concepts	OOP, Data Structures, OS, DBMS
Databases	MongoDB, MySQL
Developer Tools	GitHub
Soft Skills	Time Management, Communication, Teamwork

Education

Marathwada Mitramandal Institute of Technology — Dec 2022 – June 2026
B.E. in Artificial Intelligence and Data Science — *Pune, India*

Yogeshwari Mahavidyalaya — July 2020 – March 2022
Higher Secondary School Certificate (HSC) — *Ambajogai, India*

Languages

English, Hindi, Marathi

Achievements

- Secured 1st rank in the last two consecutive semesters (TE-AIDS).
- Recognized among top performers in SSC (10th grade).
- Served as Communication Coordinator in ASIA Committee.

Certifications

- "Introduction to Soft Skills" course by TCS iON
- Java basic-Hacker Rank
- The Complete Full-Stack Web Development Bootcamp
